Profile

Greetings of the day! I am Aryan Karki, a backend developer with expertise in .NET, SQL, and CMS (Kentico), along with frontend experience in Vue.js and Nuxt.js. I have built a solid foundation in developing robust, scalable backend systems and creating dynamic, user-friendly frontend interfaces. I am passionate about programming and enjoy building efficient, secure, and modern applications. I am eager to further enhance my skills and contribute effectively to real-world projects.

Skills

Frontend: HTML, CSS, JavaScript, Vue.js

Tools : Postman, Visual Studio Code, Kentico CMS

Backend : Dot Net Core

Database : SQL

Experience

Resolution Digital | 2 Years

- Developed and maintained scalable backend features using .NET and SQL.
- Worked with Kentico CMS to implement and optimize content-based solutions.
- Collaborated with cross-functional teams to deliver high-quality digital products.
- Improved application performance, security, and code quality through best practices.

Junior Software Developer

Vesuvio Labs | 1 Year

- Assisted in building backend services and APIs using .NET technologies
- Worked with Vue.js and Nuxt.js to create responsive, user-friendly interfaces.
- Participated in code reviews, debugging, and feature enhancement.

- Contributed to team projects with clean, maintainable, and testable code.

Software Development Intern

Vesuvio Labs, Maitighar, Kathmandu | 3 Months

- Gained hands-on experience with .NET, SQL, and CMS integration.
- Supported senior developers in building modules and resolving bugs.
- Learned development workflows, version control, and agile practices.
- Assisted in frontend tasks using Vue.js when required.

Education

Bachelor of Science in Information Technology (BSc.IT)

Ongoing (Currently Studying) LBEF College,

Maitidevi-Kathmandu Affiliated to Asia Pacific University (APU), Malaysia

+2 Science

Capital College and Research Center

Balkumari, Lalitpur

INTERESTS

Web Development and UI/UX Design.

Exploring new programming technologies

LANGUAGES

Nepali English Hindi.
